Welcome!

Hi there!

This is just a quick email to let you know about some gifts and resources I have for you.

First, when you want to re-order, go to:

I have opted you into a FREE 6-week email series that will educate you on using the oils. Two emails per week for 6 weeks! This is a gift to you from us, as you begin your essential oil journey. Please make sure to go to your promotions folder in your email account and confirm that you would like this subscription delivered to you! Here is the link to register: jasmineandjuniper.com/essential-oils-101/

We do have a customer support Facebook group, too. This is a perfect place for asking questions, sharing your experiences, and we often give away special prizes. Here is our Facebook group: www.facebook.com/groups/jasmineandjuniper/

We also have a weekly call at 10am on Mondays. Just dial into 503-388-5253 at 10am every week for a 30-minute call covering one oil. Each call also has time for questions and answers. It is a great place to come for small bites of education. If you would like a text reminder for this team call, text "oils jasmine" to 313131.

If you cannot be on the live call, you can listen to all of our team calls here: jasmineandjuniper.com/team-calls/ at your leisure. Miss something in particular? Listen to them whenever you need. The password to access these calls is "oils".

Have a great day, and let me know if you have any questions,
Arin
